

7HILL ASSETS SALE

COMPLETE INDUSTRIAL MACHINERY & ASSET CATALOG

Direct Asset Liquidations | Industrial Grade Woodworking, Metalworking & Production Machinery

CATALOG INFORMATION & SUMMARY

Total Machinery Items:	127 Units Listed
Equipment Categories:	17 Categories Covered
Primary Warehouse:	Chennai Warehouse, Tamil Nadu, India
Catalogue Date:	July 2026 (Live Inventory)
Inquiries & Orders:	WhatsApp: +91 98408 96388 Email: factoryclearance@heveaproducts.co.in Website: https://assets.7hillconsultancy.in/

Inspection & Purchasing Note: All machinery items listed are available for immediate inspection at our warehouse. Price negotiations and bulk asset acquisitions are supported. Contact customer support for site visits and log breakdown specs.

INVENTORY CATEGORY SUMMARY

Category / Equipment Type	Total Quantity	Status Breakdown
Industrial Equipment	20 items	Available: 5 Limited: 15
Industrial Saws	13 items	Available: 5 Limited: 8
Drilling & Boring	13 items	Available: 3 Limited: 10
Press & Laminating	12 items	Available: 3 Limited: 9
Planners & Moulders	10 items	Available: 4 Limited: 6
Shapers & Tenoners	9 items	Available: 1 Limited: 8
Sanding Machines	9 items	Available: 3 Limited: 6
Sawmills & Wood Conversion	7 items	Available: 2 Limited: 5
Packaging & Box Making	5 items	Available: 0 Limited: 5
Grinding & Maintenance	5 items	Available: 0 Limited: 5
Upholstery & Sewing	5 items	Available: 2 Limited: 3
Routers & Dowels	4 items	Available: 2 Limited: 2
Painting & Finishing	4 items	Available: 1 Limited: 3
Utility & Compressors	4 items	Available: 1 Limited: 3
Veneer Processing	3 items	Available: 0 Limited: 3
Factory Logistics	2 items	Available: 0 Limited: 2
Metal Coating	2 items	Available: 0 Limited: 2

DETAILED MACHINERY CATALOG

1. CNC SERRA SAWMILL with auto loading and unloading facility [sno-1]

● LIMITED STOCK

Category: Sawmills & Wood Conversion

Price: Rs. 48,11,898 (Negotiable)

Cond / Year: Used (2018)

Qty / Loc: 1 unit(s) | Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable cnc serra sawmill with auto loading and unloading facility by MONTANA ME 90 (model year 2018) sourced from Germany.

SERRA SAW MILL MONTANA ME 90

2. WOOD MIZER Sawmill [sno-2]

● LIMITED STOCK

Category: Sawmills & Wood Conversion

Price: Rs. 8,61,800 (Negotiable)

Cond / Year: Used (2015)

Qty / Loc: 1 unit(s) | Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable wood mizer saw mill by WOOD MIZER LT20 (model year 2015) sourced from Europe.

WOOD MIZER SAW MILL -LT20

3. HORIZONTAL BANDSAW [sno-3]

● LIMITED STOCK

Category: Sawmills & Wood Conversion

Price: Rs. 5,26,800 (Negotiable)

Cond / Year: Used (2020)

Qty / Loc: 1 unit(s) | Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable horizontal bandsaw by China (model year 2020) sourced from China.

HORIZONTAL BANDSAW -LINCAN MJ650

4. RADIAL ARM SAW [sno-4]

Category:	Industrial Saws	Price:	Rs. 45,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	6 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable radial arm saw by ZHANFEI (model year 2015) sourced from China.

● AVAILABLE

5. CUT OF SAW [sno-5]

Category:	Industrial Saws	Price:	Rs. 75,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable cut of saw by ZHAN FEI (model year 2015) sourced from China.

● AVAILABLE

6. CHEMICAL TREATMENT PLANT including mixing tank- 250 [sno-6]

Category:	Industrial Equipment	Price:	Rs. 6,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable chemical treatment plant including mixing tank- 250 by Indian (model year 2015) sourced from India.

● LIMITED STOCK

7. BOILER [sno-7]

Category:	Industrial Equipment	Price:	Rs. 18,00,000 (Negotiable)
Cond / Year:	Used (2024)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable boiler by Indian (model year 2024) sourced from India.

● LIMITED STOCK

8. BOILER PIPELINE Insulated [sno-127]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 11,00,000 (Negotiable)
Cond / Year:	Used (2024)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable boiler pipe line insulated by Indian (model year 2024) sourced from India.

**9. HOT WATER GENERATOR [sno-8]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 5,40,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable hot water generator by Indian (model year 2010) sourced from India.

**10. RIP SAW (SINGLE) [sno-9]****● LIMITED STOCK**

Category:	Industrial Saws	Price:	Rs. 3,60,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable rip saw (single) by KUANG YUNG (model year 2015) sourced from Taiwan.

**11. MULTI RIPSAW -02 [sno-10]****● LIMITED STOCK**

Category:	Industrial Saws	Price:	Rs. 6,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable multi rip saw -02 by Carbenter (model year 2015) sourced from Taiwan.

12. MULTIPLE RIPSAW [sno-11]**● LIMITED STOCK**

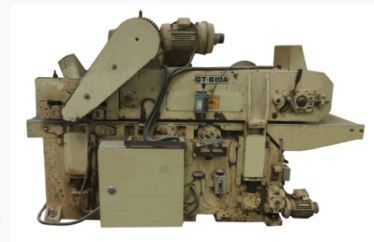

Category:	Industrial Saws	Price:	Rs. 3,60,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable multiple rip saw by EDGER MULTIPLE EE20 (model year 2015) sourced from Europe.

**13. TWO SIDE PLANNER [sno-12]****● LIMITED STOCK**

Category:	Planners & Moulders	Price:	Rs. 3,60,000 (Negotiable)
Cond / Year:	Used (2012)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable two side planner by GT 610A (model year 2012) sourced from Taiwan.

**14. Five spindle moulder [sno-13]****● LIMITED STOCK**

Category:	Planners & Moulders	Price:	Rs. 12,00,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable five spindle moulder by Weinig (model year 2010) sourced from Germany.

**15. Six spindle moulder [sno-14]****● LIMITED STOCK**

Category:	Planners & Moulders	Price:	Rs. 15,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable six spindle moulder by Weinig (model year 2015) sourced from Germany.

16. Four spindle moulder [sno-15]**● LIMITED STOCK**

Category:	Planners & Moulders	Price:	Rs. 6,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thickening, and side moulding. A highly reliable four spindle moulder by China (model year 2015) sourced from China.

**17. Jig saw [sno-16]****● AVAILABLE**

Category:	Industrial Saws	Price:	Rs. 30,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable jig saw by ZHANFEI (model year 2015) sourced from China.

**18. BAND SAW [sno-17]****● AVAILABLE**

Category:	Sawmills & Wood Conversion	Price:	Rs. 45,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable band saw by Mas (model year 2015) sourced from China.

**19. BAND SAW LIGHT DUTY [sno-17b]****● AVAILABLE**

Category:	Sawmills & Wood Conversion	Price:	Rs. 37,500 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Light duty band saw for smaller cutting operations. A highly reliable band saw by Mas (model year 2015) sourced from China.

20. SINGLE SPINDLE MOULDER [sno-18]**● AVAILABLE****Category:** Planners & Moulders**Price:** **Rs. 90,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable single spindle moulder by Italian (model year 2015) sourced from China.

**21. DOUBLE SPINDLE MOULDER [sno-19]****● AVAILABLE****Category:** Planners & Moulders**Price:** **Rs. 1,20,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable double spindle moulder by ZHAN FEI (model year 2015) sourced from China.

**22. THICKNESS PLANNER [sno-20]****● AVAILABLE****Category:** Planners & Moulders**Price:** **Rs. 60,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable thickness planner by GRIGGIO PS 500/E (model year 2015) sourced from China.

**23. SURFACE PLANNER [sno-21]****● AVAILABLE****Category:** Planners & Moulders**Price:** **Rs. 60,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thicknessing, and side moulding. A highly reliable surface planner by GRIGGIO SPA 310 (model year 2015) sourced from China.

24. 3IN1 [sno-22]**● LIMITED STOCK****Category:** Planners & Moulders**Price:** **Rs. 1,50,000**
(Negotiable)**Cond / Year:** Used (2007)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thickening, and side moulding. A highly reliable 3in1 by PTL 410 (model year 2007) sourced from China.

**25. Robland [sno-23]****● LIMITED STOCK****Category:** Planners & Moulders**Price:** **Rs. 75,000**
(Negotiable)**Cond / Year:** Used (2007)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Precision planning and profiling moulder. Configured for high-speed dimensional straightening, thickening, and side moulding. A highly reliable 5in1 by Robland (model year 2007) sourced from Belgium.

**26. AUTO COPY SHAPER [sno-24]****● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** **Rs. 4,20,000**
(Negotiable)**Cond / Year:** Used (2014)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable auto copy shaper by ZHAN FEI (model year 2014) sourced from China.

**27. COPY SHAPER [sno-25]****● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** **Rs. 3,30,000**
(Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable copy shaper by ZHAN FEI (model year 2020) sourced from China.

28. 3D COPY SHAPER [sno-26]**● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** **Rs. 1,00,000**
(Negotiable)**Cond / Year:** Used (2007)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable 3d copy shaper by CENTAURO (model year 2007) sourced from Italy.

**29. DOUBLE END CUTTING [sno-27]****● LIMITED STOCK****Category:** Industrial Saws**Price:** **Rs. 1,00,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable double end cutting by ZHANFEI (model year 2015) sourced from China.

**30. Auto DOUBLE END CUTTING HEAVY DUTY [sno-28]****● LIMITED STOCK****Category:** Industrial Saws**Price:** **Rs. 3,00,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable auto double end cutting heavy duty by ZHAN FEI (model year 2015) sourced from China.

**31. TABLE SAW [sno-29]****● AVAILABLE****Category:** Industrial Saws**Price:** **Rs. 50,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable table saw by ZHAN FEI (model year 2015) sourced from China.

32. PANEL SAW CUTTING [sno-30]**● AVAILABLE****Category:** Industrial Saws**Price:** Rs. 2,00,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 10 unit(s) | Chennai
Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable panel saw cutting by ALTENDROFT F92 (model year 2015) sourced from Germany.

**33. TENONER (MANUAL) Saw blade type [sno-31]****● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** Rs. 2,00,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable tenoner (manual) by YongQIANG (model year 2015) sourced from China.

Yongqiang -Manual tenoner**34. TENONER (CNC) [sno-32]****● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** Rs. 5,00,000
(Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable tenoner (cnc) by ZHAN FEI (model year 2020) sourced from China.

**35. SINGLE END TENONER [sno-33]****● LIMITED STOCK****Category:** Shapers & Tenoners**Price:** Rs. 1,50,000
(Negotiable)**Cond / Year:** Used (2008)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable single end tenoner (saw blade type) by YongQIANG (model year 2008) sourced from China.

36. Multi head Universal mortiser [sno-34]**● LIMITED STOCK**

Category:	Shapers & Tenoners	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable multi head universal mortiser by ZHAN FEI (model year 2015) sourced from China.

**37. FIVE HEAD DRILLING MAS [sno-35]****● LIMITED STOCK**

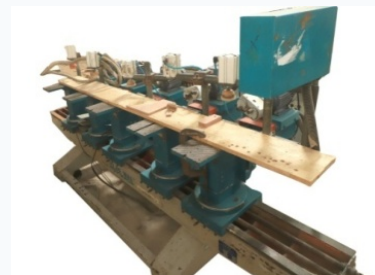

Category:	Drilling & Boring	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable five head drilling mas by ZHAN FEI (model year 2015) sourced from China.

**38. 5 head drilling Horizontal drilling machine [sno-36]****● LIMITED STOCK**

Category:	Drilling & Boring	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable 5 head drilling horizontal drilling machine by ZHAN FEI (model year 2015) sourced from China.

**39. DOUBLE HEAD DRILLING[HORIZONTAL] [sno-37]****● LIMITED STOCK**

Category:	Drilling & Boring	Price:	Rs. 1,50,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable double end horizontal angular drilling by ZHANFEI (model year 2015) sourced from China.

40. DOUBLE HEAD DRILLING [sno-38]**● LIMITED STOCK****Category:** Drilling & Boring**Price:** Rs. 72,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable double head drilling by ZHANFEI (model year 2015) sourced from China.

**41. HORIZONTAL ANGULAR DRILLING [sno-39]****● LIMITED STOCK****Category:** Drilling & Boring**Price:** Rs. 72,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable horizontal angular drilling by ZHANFEI (model year 2015) sourced from China.

**42. Horizontal & Vertical Angular Drilling [sno-40]****● LIMITED STOCK****Category:** Drilling & Boring**Price:** Rs. 1,25,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable horizontal & vertical angular drilling by ZHANFEI (model year 2015) sourced from China.

**43. Vertical Angular Drilling [sno-41]****● LIMITED STOCK****Category:** Drilling & Boring**Price:** Rs. 2,00,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable vertical angular drilling by ZHANFEI (model year 2015) sourced from China.

44. MULTI BORE DRILLING [sno-42]**● AVAILABLE**

Category:	Drilling & Boring	Price:	Rs. 1,50,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable multi bore drilling by Jai (model year 2025) sourced from India.

**45. MULTI BORE DRILLING [sno-42b]****● AVAILABLE**

Category:	Drilling & Boring	Price:	Rs. 1,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable multi bore drilling by vitap (model year 2015) sourced from Italy.

**46. HIGH SPEED ROUTER [sno-43]****● LIMITED STOCK**

Category:	Routers & Dowels	Price:	Rs. 1,00,000 (Negotiable)
Cond / Year:	Used (2009)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial routing or dowel manufacturing machine. Ideal for decorative profiling, grooves, slots, and round wood pin production. A highly reliable high speed router by German (model year 2009) sourced from Germany.

**47. HIGH SPEED ROUTER [sno-44]****● AVAILABLE**

Category:	Routers & Dowels	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: Industrial routing or dowel manufacturing machine. Ideal for decorative profiling, grooves, slots, and round wood pin production. A highly reliable high speed router by China (model year 2015) sourced from China.

48. INVERSE ROUTER [sno-45]**● AVAILABLE****Category:** Routers & Dowels**Price:** Rs. 75,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 6 unit(s) | Chennai
Warehouse

Description & Specs: Industrial routing or dowel manufacturing machine. Ideal for decorative profiling, grooves, slots, and round wood pin production. A highly reliable inverse router by ZHAN FEI (model year 2015) sourced from China.

Invers Router

**49. DOWEL MACHINE [sno-46]****● LIMITED STOCK****Category:** Routers & Dowels**Price:** Rs. 75,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Industrial routing or dowel manufacturing machine. Ideal for decorative profiling, grooves, slots, and round wood pin production. A highly reliable dowel machine by ZHAN FEI (model year 2015) sourced from China.

**50. SINGLE HEAD SANDER BUTFERING SUPER 900 mm [sno-47]****● LIMITED STOCK****Category:** Sanding Machines**Price:** Rs. 10,00,000
(Negotiable)**Cond / Year:** Used (2010)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable single head sander butfering super 900 mm by Butffering (model year 2010) sourced from Germany.

**51. SINGLE HEAD SANDING MASTER 900 mm [sno-48]****● LIMITED STOCK****Category:** Sanding Machines**Price:** Rs. 3,00,000
(Negotiable)**Cond / Year:** Used (2005)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable single head sanding master 900 mm by Sanding master (model year 2005) sourced from Holland.

52. DOUBLE HEAD SANDER 900 mm [sno-49]**● LIMITED STOCK**

Category:	Sanding Machines	Price:	Rs. 15,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable double head sander 900 mm by SHEND SHING (model year 2015) sourced from Taiwan.

**53. WIDE BELT SANDER [sno-50]****● LIMITED STOCK**

Category:	Sanding Machines	Price:	Rs. 20,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable double head sander 1200 mm by Homeg (model year 2015) sourced from Germany.

**54. OSCILLATE SANDER-01 [sno-51]****● AVAILABLE**

Category:	Sanding Machines	Price:	Rs. 95,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	6 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable oscillate sander-01 by ZHAN FEI (model year 2015) sourced from China.

**55. Bobin sander horizontal [sno-52]****● AVAILABLE**

Category:	Sanding Machines	Price:	Rs. 30,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	6 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable bobin sanber horizontal by ZHAN FEI (model year 2015) sourced from China.

56. Bobin sander Vertical [sno-53]**● AVAILABLE****Category:** Sanding Machines**Price:** Rs. 20,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 6 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable bobin sander vertical by ZHAN FEI (model year 2015) sourced from China.

**57. Hand stroke sander [sno-54]****● LIMITED STOCK****Category:** Sanding Machines**Price:** Rs. 1,00,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable hand stroke sander by ZHAN FEI (model year 2015) sourced from China.

**58. Glue spreader [sno-55]****● AVAILABLE****Category:** Press & Laminating**Price:** Rs. 75,000
(Negotiable)**Cond / Year:** Used (2014)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable glue spreader by WEILI (model year 2014) sourced from China.

**59. Glue spreader [sno-56]****● AVAILABLE****Category:** Press & Laminating**Price:** Rs. 90,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 3 unit(s) | Chennai
Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable glue spreader by China (model year 2015) sourced from China.

60. Glue spreader 4 feet [sno-57]**● LIMITED STOCK**

Category:	Press & Laminating	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable glue spreader 4 feet by Weili (model year 2015) sourced from China.

**61. SPRAY BOOTH 20 feet Length [sno-58]****● AVAILABLE**

Category:	Painting & Finishing	Price:	Rs. 7,50,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	6 unit(s) Chennai Warehouse

Description & Specs: Industrial spray booth and conveyorized finishing system. Equipped with filtration, air flow controls, and drying oven stages. A highly reliable spray booth 20 feet Length by Malaysian (model year 2015) sourced from Malaysia.

**62. Disk Spray, Overhead Conveyor Spray System 2,500 feet [sno-59]****● LIMITED STOCK**

Category:	Painting & Finishing	Price:	Rs. 30,00,000 (Negotiable)
Cond / Year:	Used (2016)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial spray booth and conveyorized finishing system. Equipped with filtration, air flow controls, and drying oven stages. A highly reliable disk spray, overhead conveyor spray system 2,500 feet by Big Toyo (model year 2016) sourced from Taiwan.

**63. Overhead Conveyor Spray System 340 feet [sno-60]****● LIMITED STOCK**

Category:	Painting & Finishing	Price:	Rs. 4,50,000 (Negotiable)
Cond / Year:	Used (2016)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial spray booth and conveyorized finishing system. Equipped with filtration, air flow controls, and drying oven stages. A highly reliable overhead conveyor spray system 340 feet by Big Toyo (model year 2016) sourced from Taiwan.

64. GIARDINA AUTO SPRAY SYSTEM WITH 5 LAYER DRYING OVEN [sno-61]**● LIMITED STOCK**

Category:	Painting & Finishing	Price:	Rs. 1,26,00,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2016)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial spray booth and conveyORIZED finishing system. Equipped with filtration, air flow controls, and drying oven stages. A highly reliable giardina auto spray system with 5 layer drying oven by GIARDINA (model year 2016) sourced from Italy.

**65. THROUGH EDGE BANDING [sno-62]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 12,00,000 (Negotiable)
Cond / Year:	Used (2008)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable through edge banding by HOMAG - BRANDT KDN 650C (model year 2008) sourced from Germany.

**66. Point to Point boring machine venture02 [sno-63]****● LIMITED STOCK**

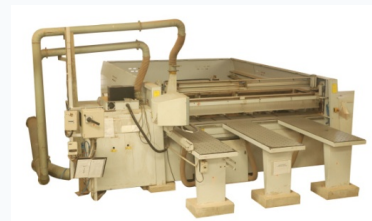

Category:	Drilling & Boring	Price:	Rs. 10,00,000 (Negotiable)
Cond / Year:	Used (2007)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable point to point boring machine venture02 by HOMAG (model year 2007) sourced from Germany.

**67. BEAM SAW [sno-64]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 18,00,000 (Negotiable)
Cond / Year:	Used (2007)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable beam saw by HOMAG-OPTIMAT CHF 41 (model year 2007) sourced from Germany.

68. POST FORMING [sno-65]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2007)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable post forming by TECHNO GEM (model year 2007) sourced from India.

**69. MANUAL EDGE BANDING [sno-66]****● AVAILABLE**

Category:	Industrial Equipment	Price:	Rs. 2,50,000 (Negotiable)
Cond / Year:	Used (2007)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable manual edge banding by OPTIMAT BRANDT KDT 720 (model year 2007) sourced from Germany.

**70. Trimming machine [sno-67]****● AVAILABLE**

Category:	Industrial Equipment	Price:	Rs. 1,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable trimming machine by vitap (model year 2015) sourced from Italy.

**71. End Trimming [sno-68]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 1,35,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable end trimming by Homeg (model year 2015) sourced from Germany.

72. CNC AUTO CUT OFF SAW [sno-69]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 10,50,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable cnc auto cut off saw by China (model year 2025) sourced from China.

**73. CUT OF SAW (HEAVY DUTY) [sno-70]****● LIMITED STOCK**

Category:	Industrial Saws	Price:	Rs. 6,50,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable cut of saw (heavy duty) by China (model year 2025) sourced from China.

**74. THIN FRAME SAW for veneer cutting [sno-71]****● LIMITED STOCK**

Category:	Sawmills & Wood Conversion	Price:	Rs. 16,00,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable thin frame saw for veneer cutting by China (model year 2025) sourced from China.

**75. Board Edge Gluing Machine [sno-72]****● LIMITED STOCK**

Category:	Press & Laminating	Price:	Rs. 9,00,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable board edge gluing machine by China (model year 2025) sourced from China.

76. HYDRAULIC CLAMP CARRIER[8'x4'] [sno-73]**● AVAILABLE**

Category:	Press & Laminating	Price:	Rs. 9,40,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable hydraulic clamp carrier[8'x4'] by China (model year 2025) sourced from China.

**77. HYDRAULIC CLAMP CARRIER[8'x4'] [sno-74]****● LIMITED STOCK**

Category:	Press & Laminating	Price:	Rs. 6,00,000 (Negotiable)
Cond / Year:	Used (2009)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable hydraulic clamp carrier[8'x4'] by MH 2925 WEILI (model year 2009) sourced from China.

**78. HYDRAULIC CLAMP CARRIER[20'x4'] [sno-75]****● LIMITED STOCK**

Category:	Press & Laminating	Price:	Rs. 10,00,000 (Negotiable)
Cond / Year:	Used (2013)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable hydraulic clamp carrier[20'x4'] by MH 2962 WEILI (model year 2013) sourced from China.

**79. Rotary Clamp Carrier [sno-76]****● AVAILABLE**

Category:	Industrial Equipment	Price:	Rs. 9,90,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable rotary clamp carrier by China (model year 2025) sourced from China.

80. Rotary Clamp Carrier [sno-77]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 6,00,000 (Negotiable)
Cond / Year:	Used (2014)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable rotary clamp carrier by WEILI (model year 2014) sourced from China.

**81. Automatic Multi Slotting Machine [sno-78]****● LIMITED STOCK**

Category:	Packaging & Box Making	Price:	Rs. 15,00,000 (Negotiable)
Cond / Year:	Unused (Factory Stored) (2025)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial packaging and box-making equipment. Custom cardboard cutting and box folding for efficient shipping preparation. A highly reliable auto multi slotting machine by China (model year 2025) sourced from China.

**82. FINGER JOINT SHAPER [sno-79]****● AVAILABLE**

Category:	Shapers & Tenoners	Price:	Rs. 5,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	4 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable finger joint shaper by Yong (model year 2015) sourced from China.

**83. FINGER JOINT PRESS [sno-80]****● LIMITED STOCK**

Category:	Shapers & Tenoners	Price:	Rs. 4,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty shaping and joinery machine. Designed for cutting tenons, mortises, finger joints, and copy-profiled shapes. A highly reliable finger joint press by Yong (model year 2015) sourced from China.

84. WOODMIZER BLADE GRINDING This Machine is a part of WOOD MIZER LT20 (Saw mill Section). The price for this machine is included in WOOD MIZER LT20 machine. [sno-81]

● LIMITED STOCK

Category:	Grinding & Maintenance	Price:	Rs. 1,20,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Used for sharpening and maintaining factory machine blades, saws, and planner knives. Ensures high precision and prolongs cutting tool lifetime. A highly reliable woodmizer blade grinding this machine is a part of wood mizer lt20 (saw mill section). the price for this machine is included in wood mizer lt20 machine. by WOOD MIZER LT20 (model year 2010) sourced from Europe.

85. SERRA BLADE GRINDING [sno-82]

● LIMITED STOCK

Category:	Grinding & Maintenance	Price:	Rs. 2,13,000 (Negotiable)
Cond / Year:	Used (2018)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Used for sharpening and maintaining factory machine blades, saws, and planner knives. Ensures high precision and prolongs cutting tool lifetime. A highly reliable serra blade grinding by MONTANA ME 90 (model year 2018) sourced from Germany.

86. KILN – 12 NOS - (Without brick work) [sno-83]

● AVAILABLE

Category:	Industrial Equipment	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	12 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable kiln – 12 nos - (without brick work) by Indian (model year 2010) sourced from India.

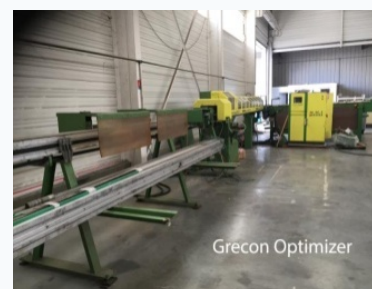

87. OPTIMIZER SAW [sno-84]

● LIMITED STOCK

Category:	Sawmills & Wood Conversion	Price:	Rs. 5,00,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial wood sawmill system. Engineered for high-throughput log breakdown, veneer slicing, or primary timber conversion. A highly reliable optimizer saw by Grecon (model year 2010) sourced from India.

88. FRAME ASSMBLER PRESS [sno-85]**● LIMITED STOCK**

Category:	Press & Laminating	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable frame assmbler press by ZHAN FEI (model year 2015) sourced from China.

**89. Hydraulic Lifting table [sno-86]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 2,75,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable hydraulic lifting table by China (model year 2015) sourced from China.

**90. Pneumatic Scissor Lifting table [sno-87]****● AVAILABLE**

Category:	Industrial Equipment	Price:	Rs. 44,000 (Negotiable)
Cond / Year:	Used (2009)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable pneumatic scissor lifting table by China (model year 2009) sourced from China.

**91. QUICK WOOD SYSTEM [sno-88]****● LIMITED STOCK**

Category:	Sanding Machines	Price:	Rs. 5,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Heavy-duty wide belt or bobbin sanding system. Perfect for surface finishing, calibration, and edge smoothing of solid wood and panels. A highly reliable quick wood system by PRO 1400 (model year 2015) sourced from Italy.

92. RADIO FREQUENCY PRESS Set with common control [sno-89]

● LIMITED STOCK

Category:	Press & Laminating	Price:	Rs. 21,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable radio frequency press set with common control by China (model year 2015) sourced from China.

93. HOT PRESS- GRIGGIO [sno-90]

● LIMITED STOCK

Category:	Press & Laminating	Price:	Rs. 3,50,000 (Negotiable)
Cond / Year:	Used (2007)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable hot press- griggio by GRIGGIO (model year 2007) sourced from Italy.

94. Veneer guillotine machine weili (big) [sno-91]

● LIMITED STOCK

Category:	Veneer Processing	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Veneer sheet splicing and guillotining system. Ensures tight joints and clean veneer edge cuts for panel lamination. A highly reliable veneer guillotine machine weili (big) by China (model year 2015) sourced from China.

95. Veneer guillotine machine weili (Small) [sno-92]

● LIMITED STOCK

Category:	Veneer Processing	Price:	Rs. 1,50,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Veneer sheet splicing and guillotining system. Ensures tight joints and clean veneer edge cuts for panel lamination. A highly reliable veneer guillotine machine weili (small) by China (model year 2015) sourced from China.

96. Veneer Splicer [sno-93]**● LIMITED STOCK**

Category:	Veneer Processing	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Veneer sheet splicing and guillotining system. Ensures tight joints and clean veneer edge cuts for panel lamination. A highly reliable veneer splicer by China (model year 2015) sourced from China.

**97. Door Frame Corner Jointer (Vasakal in Tamil) (86) [sno-94]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 2,10,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable door frame corner jointer (vasakal in tamil) (86) by Umiya (model year 2015) sourced from India.

**98. Tapping machine [sno-95]****● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 10,000 (Negotiable)
Cond / Year:	Used (2010)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable tapping machine by JAI (model year 2010) sourced from India.

**99. MULTIBORE DRILLING [sno-96]****● AVAILABLE**

Category:	Drilling & Boring	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2008)	Qty / Loc:	3 unit(s) Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable multibore drilling by HOMAG - WEEKE NB 65 (model year 2008) sourced from Germany.

100. HINGE HOLE DRILLING [sno-97]**● LIMITED STOCK****Category:** Drilling & Boring**Price:** **Rs. 45,000**
(Negotiable)**Cond / Year:** Used (2011)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable hinge hole drilling by HETTICH (model year 2011) sourced from GERMANY.

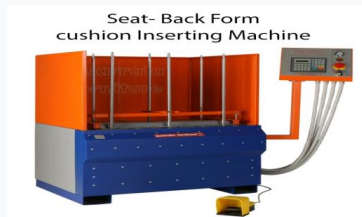

**101. FABRIC CUTTER MACHINE 3NOS [sno-98]****● LIMITED STOCK****Category:** Upholstery & Sewing**Price:** **Rs. 6,000** (Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Specialized machinery for upholstery production, cushion stuffing, foam cutting, and heavy fabric sewing. A highly reliable fabric cutter machine 3nos by Indian (model year 2020) sourced from India.

TAKING Round Knife Cloth Cutting Machine, TK-100X

**102. CUSHION COVER INSERTION MACHINE [sno-99]****● LIMITED STOCK****Category:** Upholstery & Sewing**Price:** **Rs. 1,50,000**
(Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Specialized machinery for upholstery production, cushion stuffing, foam cutting, and heavy fabric sewing. A highly reliable cushion cover insertion machine by China (model year 2020) sourced from China.

**103. FOAM CUTTING MACHINE 3 NOS [sno-100]****● LIMITED STOCK****Category:** Industrial Saws**Price:** **Rs. 6,000** (Negotiable)**Cond / Year:** Used (2009)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable foam cutting machine 3 nos by GEMCY (model year 2009) sourced from China.

Fome Cutting Machine

104. SEWING MACHINE 2 NOS [sno-101]**● AVAILABLE****Category:** Upholstery & Sewing**Price:** **Rs. 27,000**
(Negotiable)**Cond / Year:** Used (2014)**Qty / Loc:** 12 unit(s) | Chennai Warehouse

Description & Specs: Specialized machinery for upholstery production, cushion stuffing, foam cutting, and heavy fabric sewing. A highly reliable sewing machine 2 nos by LISHI (model year 2014) sourced from India.

**105. OVER LOCK M/C [sno-102]****● AVAILABLE****Category:** Upholstery & Sewing**Price:** **Rs. 60,000**
(Negotiable)**Cond / Year:** Used (2010)**Qty / Loc:** 3 unit(s) | Chennai Warehouse

Description & Specs: Specialized machinery for upholstery production, cushion stuffing, foam cutting, and heavy fabric sewing. A highly reliable over lock m/c by SAGAR (model year 2010) sourced from India.

**106. SEAT PRESSING MACHINE [sno-103]****● LIMITED STOCK****Category:** Press & Laminating**Price:** **Rs. 50,000**
(Negotiable)**Cond / Year:** Used (2010)**Qty / Loc:** 2 unit(s) | Chennai Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable seat pressing machine by China (model year 2010) sourced from China.

**107. WEBBING MACHINE [sno-104]****● LIMITED STOCK****Category:** Upholstery & Sewing**Price:** **Rs. 1,50,000**
(Negotiable)**Cond / Year:** Used (2010)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Specialized machinery for upholstery production, cushion stuffing, foam cutting, and heavy fabric sewing. A highly reliable webbing machine by China (model year 2010) sourced from China.

108. CARD BOARD CREASING MACHINE [sno-105]**● LIMITED STOCK**

Category:	Industrial Saws	Price:	Price on Request (Negotiable)
Cond / Year:	Used (2018)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-precision cutting system for panel sizing, cross-cutting, and ripping. Features safety guards and adjustable miter/tilt controls. A highly reliable card board cutting machine by China (model year 2018) sourced from China.

**109. CNC BOX ON DEMAND MACHINE [sno-106]****● LIMITED STOCK**

Category:	Packaging & Box Making	Price:	Price on Request (Negotiable)
Cond / Year:	Used (2014)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial packaging and box-making equipment. Custom cardboard cutting and box folding for efficient shipping preparation. A highly reliable cnc box on demand machine by Panotec (model year 2014) sourced from Italy.

**110. PRINTING AND SLOTTING MACHINE [sno-107]****● LIMITED STOCK**

Category:	Packaging & Box Making	Price:	Price on Request (Negotiable)
Cond / Year:	Used (2018)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: Industrial packaging and box-making equipment. Custom cardboard cutting and box folding for efficient shipping preparation. A highly reliable slotting machine by China (model year 2018) sourced from China.

**111. STITCHING MACHINE [sno-108]****● LIMITED STOCK**

Category:	Packaging & Box Making	Price:	Price on Request (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: Industrial packaging and box-making equipment. Custom cardboard cutting and box folding for efficient shipping preparation. A highly reliable stitching machine by China (model year 2015) sourced from China.

112. PACKING MACHINE [sno-109]**● LIMITED STOCK****Category:** Packaging & Box Making**Price:** Rs. 25,000
(Negotiable)**Cond / Year:** Used (2014)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Industrial packaging and box-making equipment. Custom cardboard cutting and box folding for efficient shipping preparation. A highly reliable packing machine by Indian (model year 2014) sourced from India.

**113. PLANNER KNIFE GRINDING-GRIGGIO GA630 [sno-110]****● LIMITED STOCK****Category:** Grinding & Maintenance**Price:** Rs. 60,000
(Negotiable)**Cond / Year:** Used (2007)**Qty / Loc:** 2 unit(s) | Chennai Warehouse

Description & Specs: Used for sharpening and maintaining factory machine blades, saws, and planner knives. Ensures high precision and prolongs cutting tool lifetime. A highly reliable planner knife grinding-griggio ga630 by GRIGGIO GA630 (model year 2007) sourced from Italy.

**114. SAW GRINDING [sno-111]****● LIMITED STOCK****Category:** Grinding & Maintenance**Price:** Rs. 1,00,000
(Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 2 unit(s) | Chennai Warehouse

Description & Specs: Used for sharpening and maintaining factory machine blades, saws, and planner knives. Ensures high precision and prolongs cutting tool lifetime. A highly reliable saw grinding by China (model year 2020) sourced from China.

**115. BAND SAW BLADE GRINDING [sno-112]****● LIMITED STOCK****Category:** Grinding & Maintenance**Price:** Rs. 60,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai Warehouse

Description & Specs: Used for sharpening and maintaining factory machine blades, saws, and planner knives. Ensures high precision and prolongs cutting tool lifetime. A highly reliable band saw blade grinding by Indian (model year 2015) sourced from India.

116. RADIAL DRILLING MACHINE (1 inch) [sno-113]**● LIMITED STOCK****Category:** Drilling & Boring**Price:** **Rs. 90,000**
(Negotiable)**Cond / Year:** Used (2020)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Multi-spindle drilling and boring system. Perfect for flat-pack furniture construction, hinge inserting, and dowel hole positioning. A highly reliable radial drilling machine by Indian (model year 2020) sourced from India.

**117. SCREW COMPRESSOR & DRIER 100 HP [sno-114]****● LIMITED STOCK****Category:** Utility & Compressors**Price:** **Rs. 10,00,000**
(Negotiable)**Cond / Year:** Unused (Factory Stored)
(2024)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: High-capacity screw compressor and air dryer unit. Provides clean, dry, pressurized air for pneumatic machinery across the facility. A highly reliable screw compressor & drier 100 hp by Indian (model year 2024) sourced from India.

**118. Dust collector [sno-115]****● AVAILABLE****Category:** Utility & Compressors**Price:** **Rs. 9,000** (Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 20 unit(s) | Chennai Warehouse

Description & Specs: Industrial multi-port dust collection system. Maintains warehouse safety and clean air by China (model year 2015) sourced from China.

**119. FORKLIFT - 1 [sno-116]****● LIMITED STOCK****Category:** Factory Logistics**Price:** **Rs. 6,27,000**
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 1 unit(s) | Chennai Warehouse

Description & Specs: Heavy-duty material handling forklift. Serviced regularly, robust lifting capacity for factory pallets and machinery movement. A highly reliable forklift - 1 by Godrej (model year 2015) sourced from India.

120. FORKLIFT - 2 [sno-117]**● LIMITED STOCK****Category:** Factory Logistics**Price:** Rs. 5,70,600
(Negotiable)**Cond / Year:** Used (2016)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Heavy-duty material handling forklift. Serviced regularly, robust lifting capacity for factory pallets and machinery movement. A highly reliable forklift - 2 by Godrej (model year 2016) sourced from India.

**121. PHOSPHATING SECTION [sno-118]****● LIMITED STOCK****Category:** Metal Coating**Price:** Rs. 33,60,000
(Negotiable)**Cond / Year:** Used (2024)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Industrial metal pretreatment and powder coating plant. Provides durable, corrosion-resistant paint finishes for metal parts. A highly reliable phosphating section by Indian (model year 2024) sourced from India.

**122. POWDER COATING PLANT [sno-119]****● LIMITED STOCK****Category:** Metal Coating**Price:** Rs. 64,80,000
(Negotiable)**Cond / Year:** Used (2024)**Qty / Loc:** 1 unit(s) | Chennai
Warehouse

Description & Specs: Industrial metal pretreatment and powder coating plant. Provides durable, corrosion-resistant paint finishes for metal parts. A highly reliable powder coating plant by Indian (model year 2024) sourced from India.

**123. Positive Pressure Paint Booth [sno-120]****● LIMITED STOCK****Category:** Press & Laminating**Price:** Rs. 2,50,000
(Negotiable)**Cond / Year:** Used (2015)**Qty / Loc:** 2 unit(s) | Chennai
Warehouse

Description & Specs: Industrial clamping and press system. Designed for edge gluing, board lamination, radio frequency pressing, or hot laminating veneer. A highly reliable positive pressure paint booth by Indian (model year 2015) sourced from India.

124. Steam Chamber Autoclave [sno-121]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 2,50,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	2 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable steam chamber auto clave by Indian (model year 2015) sourced from India.

125. Wood dust Burner [sno-122]**● LIMITED STOCK**

Category:	Industrial Equipment	Price:	Rs. 2,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity factory production machine. Maintains regular maintenance schedule, fully operational and ready for deployment. A highly reliable wood dust burner by Indian (model year 2015) sourced from India.

126. SCREW COMPRESSOR & DRIER 40 HP [sno-124]**● LIMITED STOCK**

Category:	Utility & Compressors	Price:	Rs. 3,60,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity screw compressor and air dryer unit. Provides clean, dry, pressurized air for pneumatic machinery across the facility. A highly reliable screw compressor & drier 40 hp by ELGI (model year 2015) sourced from India.

127. SCREW COMPRESSOR & DRIER 25 HP [sno-125]**● LIMITED STOCK**

Category:	Utility & Compressors	Price:	Rs. 3,00,000 (Negotiable)
Cond / Year:	Used (2015)	Qty / Loc:	1 unit(s) Chennai Warehouse

Description & Specs: High-capacity screw compressor and air dryer unit. Provides clean, dry, pressurized air for pneumatic machinery across the facility. A highly reliable screw compressor & drier 25 hp by ELGI (model year 2015) sourced from India.
